

SUGGESTIONS TO CONTRIBUTORS

Research papers and general articles of common interest encompassing different fields of Science viz. Botany, Zoology, Geology, Environmental Sciences, Medical Sciences, Veterinary Sciences and related areas are accepted for publication in the **International Journal MENDEL**. All authors shall be the members of Mendelian Society of India before the paper is submitted for publication. Besides full paper, short communications and review articles are also accepted for publication. All manuscripts should be sent online to any one of the following E-mail Id :

- (i) journalmendel@gmail.com
- (ii) maheshroy54@gmail.com
- (iii) sinha.arvind.kumar26@gmail.com

All papers and articles will be assessed by a reviewing editor. The papers found suitable will be sent for a detailed review by referees. The authors of the papers shall be informed about the acceptance or rejection or need for revision on the basis of referee's opinion. The papers should be written in a concise form and neatly typed without any typographical mistakes or grammatical errors.

Preparation of Manuscript - Manuscript should be typed in double space with ample margins all round on one side of A4 size white paper. Each paper after title should be followed by key words and abstract which should be a lucid digest of the whole paper, complete in one paragraph and not exceeding 100 words.

The paper (not review article or short communication) must be set out under the following headlines : INTRODUCTION, MATERIALS AND METHODS, OBSERVATION AND DISCUSSION (OR RESULTS AND DISCUSSION). Scientific names should conform to the international rules of nomenclature and should be typed in Italics.

References should be listed at the end in an alphabetical order under the first author's name.

References citation should be set out as follow - Trivedi, R. N. and A. K. Sinha., 1986, for more than two authors as : Evan et al., 1972.

ATTENTION LIFE-MEMBERS

1. National or International conference / seminar / symposium is organised every year by Mendelian Society of India.
2. During conference, two medal awards namely Professor Bhuvaneshwar Prasad Memorial Medal (For eminent Geo-scientist) and Professor R. N. Trivedi Medal (For eminent Life-scientist) are also conferred.
3. During conference, merit certificates and cash prizes are also given to the scholars whose papers are adjudged as the best papers.

N. B. - The Society invites biodata of learned Professors of life-sciences and geo-sciences for consideration of award of the medals to them. For this, biodata details may be sent online on any one of the following email id :

- (i) journalmendel@gmail.com
- (ii) maheshroy54@gmail.com
- (iii) sinha.arvind.kumar26@gmail.com
